

# It's Hard To Find Good Help These Days.

## Robot Resumé

### ScriptPro SP 200 Robotic Prescription Dispensing System

**OBJECTIVE:** To secure a responsible position in your pharmacy **counting, filling, and labeling** prescriptions. I'll help your staff keep up with the workload.

**SKILLS:**

- **Reliable and Fast**
- **Accurate and Experienced**
- **User friendly**
- **Interfaces** with all computer systems

**EMPLOYMENT HISTORY:**

- **Thousands of installations** in all types of pharmacies.
- Ability to work 24 hours a day. *(no vacation or sick days)*
- **Pay Scale - approx. \$12 per hour.** *(compared to \$16<sup>50</sup> [includes benefits] for a tech)*

**REFERENCES:** See what other ScriptPro customers have to say about me at [www.scriptpro.com](http://www.scriptpro.com).

*P.S. Check out my little brothers, SP 100 and SP 50.*
