

# Bulk Load Vial Dispensers

## for ScriptPro's SP 200 and SP 100 Robotic Prescription Dispensing Systems

ScriptPro's bulk load vial dispensers allow users to replenish vial dispensers by pouring vials directly from the vial box into the dispenser. The robust design and large capacity bring efficiency and reliability to vial replenishment.

Bulk load vial dispensers—saving pharmacies time.

*SP 200 Robotic Prescription Dispensing System with Collating Control Center and optional bulk loader*

*Pour vials directly into the dispenser*
